BOOK SYNOPSIS

What is New Age spirituality?

Is it relevant to our twenty-first century experience? Alain Aristide's book sets out to illuminate the various paths to spiritual enlightenment.

Including short *biographies of New Age authors*, *A Course in Spirituality* references materials as contiguous as Eckhart Tolle's bestseller *The Power of Now*, Ernest Holmes' *The Science of Mind*, the wisdom of Abraham channeled by Esther Hicks, *A Course in Miracles* and the Kabbalah, among many others. It discusses numerous subjects as diverse as esotericism, meditation, mysticism, healing, theology, telepathy, hypnosis, re-incarnation, quantum physics, Ayurveda and many more arcane topics.

A Course in Spirituality is a journey beyond philosophy, filled with personal insights and surprising correlations, which hopefully will inspire others to seek their own individual enlightenment. May these writings be a coruscating ray of light piercing the gloomy skies of today's human consciousness.
