## **BOOK SYNOPSIS**

Guide your school through its cultural proficiency transformation Despite the best efforts of equity leaders, our schools suffer from persistent inequities. Guiding the Journey to Excellence with Equity is a must-read for anyone who supports professional learning in our schools. It defines a process of “inside-out” growth that helps develop culturally proficient educators with the facilitation skills needed to navigate the obstacles that arise during equity transformations. Written with an equity lens, this book: Includes a powerful vignette that illustrates common challenges and solutions Focuses on mental models for managing group energy Is grounded in a systems model for personal and organizational transformation Provides tools for planning culturally proficient learning experiences
