## BOOK SYNOPSIS

Abby Sanders returns to her beloved Scotland after a long absence, seeking peace after a terrible tragedy. A chance detour reunites her with Ian Mackenzie, the love she left behind four years ago. Their attempt to rekindle their romance along the shore of Loch Ness is cut short when Abby vanishes. After a desperate search for the woman he's spent four years trying to forget, Ian is forced to believe the unbelievable: he must travel through the mists of time to find Abby. But finding her is just the beginning. Trapped four hundred years in the past, Abby and Ian must find a way to end a bitter clan feud or sacrifice their return to the present and their future together.
