## **BOOK SYNOPSIS**

Prepare for your orthopaedic surgery board exams with confidence with this all-in-one review, complete with 1000+ board-style questions Orthopaedic Surgery Examination and Board Review is the ideal study guide when you need to prep for the primary and recertification exams in orthopaedic surgery. Presenting more than 1000 board-style questions, the book mirrors the content of the actual AAOS exam so you have the opportunity to experience the exam before you actually take it. This practical study guide is key to exam success:

- Surgical case studies that cover all topics and specialty areas of the orthopaedic surgery board exams
- Detailed explanations for most answers that cover not only why an answer is right, but also why the other answers are wrong
- Color photographs and illustrations to complement the text

Written not only to help you pass your exams, but also to update your knowledge of orthopaedic surgery with state-of-the-art information
