## **BOOK SYNOPSIS**

[Siren MENage Everlasting: Erotic Consensual BDSM MENage a Trois Romance, M/F/M, HEA] Hunter and Remington Ross knew they were too much like their father to ever have a woman in their lives. But rushing to the aid of a woman they found on the side of the road--a woman who desperately needed medical attention--their protective instincts came alive with a vengeance. Uneasy at their possessiveness of her, they keep her close enough to watch over, but not close enough to tempt them. Finding themselves in love terrified them, but keeping their distance proves impossible. Emma Smith loves them and wants every part of them, even the dominant nature they tried to shield her from. In their arms, she finds everything shed ever dreamed of--and more. Convincing them that they could be together would take patience, but she didnt suspect that it would take an attempt on her life to show them that they are nothing like their father at all and can have the life they yearned for. \*\* A Siren Erotic Romance
