BOOK SYNOPSIS

Preparing readers for real-world practice, *THE TRANSFORMED SCHOOL COUNSELOR*, Third Edition demonstrates how to effectively use theories, data-driven decision-making, leadership, advocacy, and consultation to improve clients scholastic achievement and foster social justice. Thoroughly integrating the ASCA National Model throughout, the book provides an excellent overview of how the school counseling profession has transformed to successfully meet the needs of 21st-century students. It challenges pre-service counselors to view their sphere of influence from a systemic perspective and develop awareness of the major societal and educational changes impacting the school counselor--including economy, technology, family structures, standards-based education, and diversity. Completely current and aligned with 2016 CACREP standards, the third edition is packed with new case studies, Voices from the Field insights, the latest data available, and real-world illustrations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
